10. Mr. [redacted] and Mr. [redacted] dropped by to visit Mr. John Kerlin, Assistant Staff Director, Senate Post Office and Civil Service Committee. The purpose of the visit was to chat with Mr. Kerlin generally and extend to him and to Bill Brawley, Committee Counsel, an invitation to visit the Agency and receive a briefing. Although Kerlin was polite he was not enthusiastic stating that they were extremely busy. He was told that if the Committee desired any information from the Agency in connection with the provisions of the House Overseas Allowances Bill (H. R. 7758) as it relates to this Agency, we would be happy to be of assistance.
